## HOLIDAY FUNDAY

The Holiday Fundays at City and Ryde over the school holidays saw a total of 80 kids across both venues! All the leaders led with such selfless love and enthusiasm.

Some children invited their pre-believer friends. A child who recently lost her mum said she had so much fun and would like to come back next year. It was a wonderful time of sharing the gospel with children and families in a fun and tangible way!

## BAPTISMS

It was a huge blessing to witness Nate, Caitlin and Luka publicly declare their faith in Christ and be baptised this past Sunday at City and Ryde! Praise the Lord!

## CHRISTMAS

### Christmas "Gift Back" Shopping List

Help stock Wesley Connect's pantry by purchasing items from the list. Drop off at Ryde on Sundays until 30 Nov, or at the City (see details via link above).

### Rising Artists Exhibition

Come support children in foster care and their creativity by volunteering at the exhibition on 29 Nov. Speak to Ps Eddie or Ps Cory if you'd like to help out.

### Christmas Day

Join us at our combined Christmas service in the city, followed by a Christmas lunch.

## COLEAMBALLY

The mission trip to Coleambally went really well! The team was outstanding and served with such faithfulness. Over 100 kids attended the kids camp that we ran, with many children coming down from the town of Griffith and coming up from Jerilderie! Families, churches and the town are still talking about the impact of the camp and how much kids loved it!

## PLAYGROUP

Playgroup meets every Friday during the school term from 10:00 to 11:45 a.m. We have seen children come out of their shells—recognising the songs we sing, greeting the regular volunteers, forming friendships, and literally stepping out from their mum's arms to explore the room with growing confidence.

We have newcomers almost every week. This is what it looks like when we, as a church, open our doors to the community and show them the love of Jesus simply by being present. Please continue to pray for Playgroup.
