JOIN US IN SUMATRA

Holiday Vacation Bible Club

Join a short mission team to a children's home in Sumatra in 2026. After connecting with the home in 2023, we felt called to partner with them and make a difference in the lives of these 20 children.

****The Plan****

We're assembling a team, especially including Indonesian speakers, to run a week-long Vacation Bible Club type program for the children. We're planning to arrive Friday & finish with the children Tuesday. Program dates are March 13-17, 2026

****Location****

The children's home is a simple building with space for activities and outdoor games. Accommodations will likely be in Medan city.

****Get Involved****

This is a great opportunity to serve and make an impact. Let's talk!
