Title: Abide In Christ

Passage: John 15:1-5

1. Jesus calls himself the true vine. In a world full of "counterfeit vines" (things we look to for life, identity, or worth), what are some modern-day vines people try to plug into?
2. How does your view of God change when you picture Him as a gardener—someone who is hands-on, patient, and invested in your growth?
3. In our busy, hustle and bustle lives, what does abiding (resting/remaining) in Jesus actually look like on a Tuesday afternoon?
4. Jesus says, "Apart from me you can do nothing." What are the challenges to total dependency upon Christ?
